"Nothing as of now," Applewhite said of Davenport's situation. "He was able to go Saturday in some capacity, but we wanted just to be smart about what capacity he plays in and be fair to him so he can perform at a high level. ... throughout the week I'll have a better idea of where he is."

Regardless of who lines up under center, Stein said the Wildcats will have to "handle our business" before facing seven straight conference opponents, starting a road game at South Carolina on Oct. 3.

"That's really what it comes down to," he said. "We're going to approach this game just like we approach Texas A&M. It's no different just because it's South Alabama."

Gametracker: South Alabama at Kentucky, 12:45 p.m. Today. TV: SEC Network (Dave Neal, Cole Cubelic, Tori Petri). Radio: UK Radio Network (Tom Leach, Jeff Piecoro, Dick Grabriel).
