**Senior Production Engineer**

Job Title: Senior Production Engineer.  
Company: Crown Cork & Seal USA, Inc.  
Location: Bowling Green, KY

Provide production engineering support to company's North American manufacturing operations for its Beverage Division; work closely with the manufacturing facilities to analyze and solve production issues for two-piece beverage cans. Requires Bachelor's in Electrical Engineering, Engineering, or a closely related field and five years of experience in job offered or as Electrical Maintenance Supervisor, Production Engineer, or in similar position(s) in high-speed manufacturing. Background in education, training or experience must include experience with circuit design and electrical systems; proficiency with design software including AutoCAD; advanced knowledge of the metal can making process; experience with can making troubleshooting; supervisory experience in a high-speed manufacturing environment; experience in a high volume production plant; demonstrated ability to perform preventive and corrective maintenance assessments; demonstrated excellent interpersonal and verbal/written communication skills; demonstrated ability to maintain employee relations; demonstrated ability to identify specific problems through the production line that are reducing the production; experience managing a team; proven effective negotiation and influencing skills; experience with cost reduction, avoidance policy, and procedure development; strong knowledge of maintenance planning and coordination, especially for annual overhauls and size conversions; experience with air compressors, vacuum pumps, and external spare systems for air and vacuum supply; experience troubleshooting and operating Allen-Bradley equipment; experience with vendor contract management; experience with HVAC systems. Approximately 70% travel required to company's manufacturing facilities throughout North America to provide electrical infrastructure oversight, project management, technical support, and training and development. Email resume to Hannah Schaeffer at Hannah.Schaeffer@crowncork.com; please reference Senior Production Engineer job title in email subject line.

**Goodwill Industries of Kentucky, Inc. is seeking proposals for a licensed General Contractor**

to perform demolition, renovation, remodel and new construction services for the Goodwill Opportunity Center located at 1806 U.S. 31W Bypass in Bowling Green, Kentucky. The existing building to be renovated and remodeled is approximately 10,079 square feet; the new construction portion of the project will be an addition of approximately 3,489 square feet. Please note that the project must be phased to ensure that the facility can remain open and operational during construction.

The project will be funded by a grant from the U.S. Department of Commerce Economic Development Administration (EDA) and must adhere to all guidelines set forth in their Standard Terms and Conditions for Construction Projects. As an EDA-funded project, Davis-Bacon Act wage rates for Warren County, Kentucky are applicable.

The Contract Time for the project shall be Two Hundred Forty (240) Calendar Days; Liquidated Damages terms shall be Five Hundred (\$500) per Calendar Day past the date of Substantial Completion.

Bids will be a Lump Sum cost, to include all subcontractor trades for a complete project. Proposals shall include a list of similar project experience, including references for which similar work was performed. Please note that a Bid Bond in the amount of 5% of the Total Bid Amount will be required.

Interested contractors will have Three (3) Calendar Weeks (June 3rd - June 24, 2026) to prepare bids. Bid Documents can be obtained from Liberty Imaging, located at 3021 Nashville Road, Bowling Green, Kentucky (Phone: 270-782-7829), beginning on Wednesday, June 3rd. Bidders must be registered Plan Holders with Liberty Imaging for bids to be considered.

A pre-bid meeting will be held at the Goodwill Opportunity Center on Wednesday, June 10th, 2026; all potential bidders and major subcontractors are encouraged to attend. The final day to submit questions and Requests for Clarification will be Wednesday, June 17th, with a final Addendum issued Monday, June 22nd.

Bids shall be submitted no later than 10 AM local (CDT) time on Wednesday, June 24th, 2026, at the project location, 1806 U.S. 31W Bypass, Bowling Green, KY 42101. Offers will be opened publicly immediately after the time for receipt of bids, with a two-week Owner-evaluation period to follow. The anticipated date of award is Wednesday, July 8th, 2026.

**The following Criteria will be used for bid evaluation:**

- Price (75%)
- Experience with Similar and/or EDA grant-funded projects (25%)

Goodwill Industries of Kentucky, Inc. reserves the right, in its sole discretion, to accept any bid, to accept or reject any or all items of any bid, to reject any or all bids, and to waive any informality or irregularities in any bid.
