

Have a Safe and Memorable School Year

Welcome Back to the Best. School. Ever.

We are excited to welcome our students and families back to The South Edmonson Elementary for what promises to be an outstanding 2026-27 school year. This year marks an exciting milestone for our school.

Construction has been completed, and we are proud to open eight brand-new classrooms as we expand to serve students from Preschool through 5th grade this year. We are also looking forward to adding 6th grade for the 2027-28 school year as our school continues to grow.

Postcards have been mailed, so students should now know who their teachers will be. We invite everyone to join us for Open House on Monday, August 10, from 4:30 to 6:30 p.m. It's a wonderful opportunity for students and families to meet their teachers, tour the school, and get excited about the year ahead.

The first day of school is Thursday, August 13, and we can't wait to welcome the best kids in the world back through our doors. Here's to another year of learning, growth, friendships, and success. Welcome back!

Dear Edmonson News,

As we prepare to begin the 2026-2027 school year, I would like to extend a warm welcome to all of our Edmonson County Middle School students, families, staff, and community members.

A new school year always brings excitement, opportunity, and a fresh start. Whether you are joining ECMS for the first time or returning for another year, we are excited to have you as part of our school family.

Our dedicated staff has worked hard throughout the summer to prepare engaging classrooms, meaningful learning experiences, and a safe, welcoming environment where every student can grow academically, socially, and emotionally.

At ECMS, we believe middle school is a time for students to discover their strengths, build lasting relationships, and challenge themselves to reach new goals. We encourage every student to get involved, work hard, show kindness, and make the most of every opportunity this year has to offer.

We also want to thank our parents, families, and community for your continued support. Your partnership is essential to our students' success, and we look forward to working together throughout the year.

Here's to a fantastic 2026-2027 school year. We can't wait to see our Wildcats back in the building and ready to learn! Go Wildcats!

Sincerely,
Ben Grey
