Rain on Football Friday Nights

By **Lynn Bledsoe**
GIMLET MANAGING EDITOR

The Edmonson County Wildcats travelled to Larue County on October 2, 2026. Larue County made the first touchdown of the night. Larue County this season has been undefeated. Larue played hard against the Wildcats with out of bounds tackled and aggressive plays. The Larue team was noticeably bigger than Edmonson. Larue used some fancy plays against the Wildcats with a flea flicker, but the Cats kept pushing back. Edmonson would not allow Larue to complete a pass, keeping the score at Edmonson 0 Larue 7.

In the second quarter Laure scored again with another good pass and extra point. Larue made a over 70 yard run to score again against the Wildcats. Edmonson recovered a fumble by Larue in the end zone. This ends the first half with a score of Edmonson 0 to Larue 21.

The third quarter was pretty slow with the teams holding against each other. Neither team wanted to give a inch and the Wildcats really picked up their speed to block the Hawks. Larue finally made another touchdown and the extra point, bringing the score 0 to 35.

In the fourth quarter the Wildcats improved with throw passes. The yards were gained slowly but they were gained. The wildcats had to be exhausted with the rain and the much bigger team, but they kept fighting. The Hawks got the ball on turn over downs at the 33 yard line. Larue threw a pass that was clearly caught but the player stepped out of bounds on the one yard line.

The Wildcats began to make tackles after the Hawks started switching out players and pushed back to the 10 yard line before the Hawks scored again. The game ended with Edmonson 0 to Larue 41.
