During this past weekend, the Fleming County High School Varsity Cheerleading team were named Region 8 - Small Game Day – Champions, taking 1st Place out of 12 teams in the KHSAA Region 8 - Game Day - Small competition at Greenup County High School, bringing home the regional championship and earning a trip to STATE!

A post following the team's win on the Fleming County High School Cheer Facebook page reads as follows,

"Every practice, every correction, every long day, and every time they pushed through a challenge brought them to this moment. This team is proof that hard work, commitment, trust, and believing in one another can make something special happen.

We are so proud of the athletes who represent Fleming County with heart, determination, and a love for this program. The talent is one thing, but the bond these girls share is what makes this team so special.

This is more than a championship. It's a moment they worked for, a memory they'll carry with them, and a reminder of what happens when a team believes in each other. Shout out to our sister program Simons Middle School Cheer for supporting us and showing so much love."

FCHS Cheerleading - REGION 8 CHAMPIONS!!! Next Stop: STATE!!!

"Fleming County, let's hear it for these girls and their coaches, Amari and Sauni Burrell! We can't wait to watch you represent Fleming County at state!"
