Museum Musings

By Brenda Plummer

We are hitting the middle of November. The weather has kept reminding us that fall is quickly leaving and that winter is about to rear its head. Many are getting ready for Thanksgiving, while others have already begun decorating for Christmas. The next few weeks will fly by and before you know it, we will start another year. Here at the Fleming County Covered Bridge Museum, we will start decorating for Christmas at the end of this month. As I stated last week, we'd would love to borrow pictures of Christmases past: perhaps pictures of Church Christmas plays (and/or programs), pictures taken at Christmas parties, or pictures at home around the Christmas tree. We would especially love to see those pictures taken with Santa. We would also love to hear your stories: memories of family, specific events you remember, memories of favorite gifts you received, or food you remember having. You can come into the museum to tell your stories, which we can record, you can write them and send them to our Fleming County Museum Society post office box (PO Box 12, Flemingsburg, KY 41041) or you can e-mail the stories to me at: baplummer@windstream.net. Please indicate if you are ok with sharing the stories in this column. Remember the museum is open on Wednesdays from 10-4 and on Saturdays from 12-4. We are happy to arrange other days or times for groups. Call the Chamber at 845-1223 or me at 849-2957 for more information.

To finish off our 250 Celebration here in Fleming County, there will be a Colonial Community Christmas celebrated downtown at Sousley Park on Saturday, December 19th from 6:00-8:00. We hope that everyone will come down and join us for Christmas caroling (led by our FCHS choir), enjoy some hot chocolate and sweet treats and get pictures with Santa (free). Each child will receive a treat bag. Luminaries will be available for you to write the name of someone you want to honor or remember. These luminaries will line our sidewalk. We encourage everyone to dress in vintage attire (whether it be colonial, pioneer, flapper or retro 70's and 80's). We also encourage various church groups, local organizations, or school groups to set up tables. You may wish to give out information about your groups, give out freebies, or even sell some of your wares (just understand the event will only be set up for 2 hours). Nathan Johnson will provide fireworks to end our night and to finish our 250 Celebration.

The museum's last day of operation for the year, will be Saturday, December 19th. We will close during the months of January and February and then open again in March. At our last Museum Society meeting, we confirmed dates for our annual activities, discussed other events which we would like to have, and decided on special displays which we would like to have next year. We are always open to your suggestions on activities or speakers you would be interested in having here. We would also like to have your input on various displays you would be interested in seeing. If you have an interesting collection or hobby which you might like to share, please consider contacting me or one of our members. We are always on the lookout for interesting programs!

It is always interesting to read obituaries. You learn so much, what interests they had, sometimes where they went to school, and of course who they are related to. I have often said that (especially in a small town like ours) you don't want to say anything negative about someone, because he or she may be related to someone else that you know. I have often shared some of the obituaries found in our scrapbooks. Some are very short and sweet; others are quite elaborate and often contain proclamations or poems (often penned by members of organizations the deceased was part of). I found an obituary for S. H. Price in the Williams scrapbook which is undated but would have been in the 1920's or 30's. It is extremely lengthy, so I will just share part of it.

"When the ship of life is broken on the rocks of death, we can with all we believe, find a safe Heaven of eternal peace in Jesus Christ."

Certainly, this is true of S.H. Price, one of Ewing's most loved and honored citizens, who departed of this life Saturday Night, October 28, at 11:40PM at his home of uranic poison surrounded by devoted relatives and sorrowing friends.

Mr. Price was 53 years old and for 22 years was Secretary of the Ewing Fair Company, the success of this company being due largely to his careful management of its business.

For 27 years, Mr. Price has been in the undertaking business, 18 of which he has been associated with his brother W. E. Price, of Elizaville, the firm's name known as Price Brothers.

Possibly a person ever lived in this community that has spoken as many comforting words and soothed the hearts of as many sorrowing people as has this man, whom the entire community loved to call friend. One characteristic of his life was to cheer the broken hearted, and to give good and timely advice to those seeking it.

In 1888, he married Miss Eula Hanley, of Mt. Sterling, KY, who survives him. To this marriage there were four children, James, Hugh, and Mrs. William Lukins, who survive him at Ewing. He is also survived by his aged mother, Mrs. Elizabeth Price, two sisters, Mrs. Squire Boone, and Miss Bertie Price, and three brothers, W. E, Richard and James.

Besides being postmaster, he was a member of the Ewing Graded and High School Board and an officer in the Christian Church. He was a member of the local lodge of the Knights of Pythias. "

Temporary Traffic Signal Installation on KY 32 Bridge Project Beginning on Monday, November 16

Beginning this week, The Kentucky Transportation Cabinet (KYTC) will install a temporary traffic signal to reduce traffic to one lane at the Nicholas County KY 32 bridge replacement project at the Fleming-Nicholas County line. This temporary traffic signal is expected to be in place for approximately 2 weeks, 24 hours a day. The contractor is constructing the transitions on each end of the project to tie into the existing roadway. Traffic should slow down and expect delays when travelling through this area.

This work is being completed under a $2,049,227.15 low-bid contract with Frederick & May Construction Company.

Road work schedules are subject to change depending on weather conditions. Motorists are asked to heed all warning signs, slow down in work zones, and remain aware of workers and construction equipment when traveling. For up-to-date traffic information, go to goky.ky.gov or use the WAZE app.

The cantata is entitled, "What Christmas Really Means" This Christmas cantata is arranged by Russell Mauldin with narration by Sue C. Smith, The cantata centers on the idea that the world was in desperate need of a Savior, and the birth of Jesus Christ is God's ultimate gift. We go from the Manger to the Cross and on to Reflecting Beyond gifts. The story connects the humble birth of Jesus in Bethlehem to His sacrifice at Calvary and the empty tomb, tracing how His life, death, and resurrection bring real hope, light, and freedom. It moves past commercial or material traditions to focus on Emmanuel ("God with us") and the proclamation of peace on earth. The cantata features a mix of classic carols and contemporary arrangements such as: It's Christmas (Opener & Finale); Away in a Manger; What Child Is This?
