

John Ch. 3: V: 17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

Hello my dearest friends and most dearest family.

Today, April 7 is our baby sister's birthday. We are so blessed to have Janeffer and her good husband, Todd, in our family and right next door to Ken and me. I have told all of you the story about Janeffer being born in Chicago, on the day after our Mother's birthday. The doctor was very interested in adoption. I know if he had offered our parents a trillion, billion dollars, he would still not have been our little sister's dad. He must have seen something in that baby that made him ask the question.

Carolyn was about nine years old, I was eight. We would go to church a lot. One time we were attending services at Kale Saylor's up in Harlan County. Our mom started shouting as she went through the door. This lady that we didn't know went over and got Janeffer out of Mom's arms. Carolyn was so overprotective of that little girl, she just got straight up and went over and got her from the lady. It was probably not that the lady looked dangerous or anything, it was from our raising. In Chicago life was much different than down here in Kentucky. Our parents had to keep an eye on us a little more than when we moved to Kentucky. (Thank God) I'm not throwing off on Chicago. That city provided a great opportunity for our family. Just about all of our family lived up there, on Mom and Dad's side both. There was work, good schools, hospitals, and fine churches

This past Easter weekend was one of the very best. We had the opportunity to attend two very awe-inspiring events. A Candlelight service at Harmon's Lick Free Pentecostal Holiness Church. There was a great crowd and the service was wonderful. Bro. Mikie preached a tender, good sermon and he and the congregation sang so beautifully. The Lord's Supper and Foot Washing service was a heart wrenching event. I think just about everyone there participated.

The Easter play at Berea Evangelistic Church was wonderful. Those kids and the pastor, Bro. Jeff Osbourne and the music director, Brandon Gibson and all the others, spent many hours preparing for the program.

Then on Saturday, we spent some very fun and happy hours down at Ang. and Danny's house. There was quite a crew of little and not so little Stiles and Gibson children. They had so much stuff in their baskets, it was such a blessing. We had homemade chili that Ang made and a big platter of pimento cheese sandwiches that Ken made. I helped him put them together. Ang made brownies and Rice Krispy treats. I can't remember it all, but I do know some of that stuff had completely disappeared by the time we left.

The best things in life are

the people we love, the places we've been and the memories we've made along the way.

Carolyn, that shopping trip to buy sister's birthday stuff was hilarious!! The trip, the meal, the shopping and finally making it home about midnight.

Hi Jan, I thank God that you have that arm surgery over with. You are one of the most faithful church members ever!!

Anna, I bought you a big letter bible at the Goodwill for \$1.59 yesterday. When I got home Ken took a liking to it, so I gave

it to him. He is already reading it. Everyone, please pray for Chris Saylor's wife. Chris is Anna's son.

I am sitting here on the front porch writing this column. My fingers are cold. I think I will say goodbye for now. If anyone out

there who reads this column, would like to see your name or any news in here, please let me know. If you have birthdays, anniversaries, yard sales, or just plain old gossipy, good news, let me know. No charge !!

I truly do hope to have some

Almanac news next week.

My love and most sincere wishes for health, wealth, happiness and many happy memories to all of you.

May God Bless us all.

Joyce

PUBLIC NOTICE

Child Find for Children with Disabilities in Need of Special Education or 504 Services

The Garrard County School District keeps educational records in a secure location in each school and Board office.

The Garrard County School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parents when they are no longer needed to provide educational programs or services. The Garrard County School District may destroy the educational records of a child without parent request 5 (five) years after they are no longer needed to provide educational programs or services. Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes. The Garrard County School District may retain, for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance records, classes attended, grade level completed, and year completed.

Children eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool program include three- and four-year-old children identified with disabilities and four-year-old children who are at-risk, as defined by federal poverty levels up to 160%. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 plan to receive State-Funded Preschool program services.

The Garrard County School District has an ongoing "Child Find" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The district's "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Garrard County School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Garrard County School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parents or guardian; the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Garrard County School District collects the information needed. The information the school District collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Garrard County School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call (859) 792-3018 or send the information to:

Wendy Congleton, Director of Special Education
Section 504 Coordinator
Garrard County Schools
322 W. Maple Ave
Lancaster, KY 40444

If you know of a child who attends a private or home school within the boundaries of the Garrard County School District, who may have a disability, and may need but is not receiving Special Education services, please call (859) 792-3018 or send the information to:

Wendy Congleton, Director of Special Education
Section 504 Coordinator
Garrard County Schools
322 W. Maple Ave
Lancaster, KY 40444

"Child Find" activities will continue throughout the school year. As part of these efforts the Garrard County School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through "Child Find" is maintained confidentially. Written Policies and Procedures have been developed which describe the District's requirements regarding the confidentiality of personally identifiable information and "Child Find" activities. There are copies in the Principal's office of each school, and in the Board of Education office. Copies of these Policies and Procedures may be obtained by contacting:

Scott Bolin
Director of Pupil Personnel
Garrard County Schools
322 W. Maple Ave
Lancaster, KY 40444

The District office is open Monday through Friday, from 8:00 a.m. to 4:00 p.m.

The Garrard County School District provides a public notice in the native language or other mode of communication of the various populations in the geographical boundaries of the District to the extent feasible.

If you know of someone who may need this notice translated to another language, given orally, or delivered in some other manner or mode of communication, please contact the Director of Pupil Personnel, the Director of Special Education or the Section 504 Coordinator at the address or phone number listed above for the Garrard County Schools.
