NO KINGS 3 Protest in Munfordville

HART COUNTY DEMOCRATIC PARTY

On Saturday, March 28th in over 3,300 separate protests in all 50 states across this county, and in many countries across the world, an estimated 8 million people took time to participate in a NO KINGS 3 protest against the Trump administration. Munfordville was counted in that number. Forty people from Hart County alongside a few from Barren, Grayson and even people on vacation here from Louisville spent three hours along Main Street in Munfordville adding our voices to the growing chorus of "No Kings in America since 1776".

In 1776 Americans rose up against an English King levying taxes on the colonies without their consent. Today one of the complaints people had was the illegal tariffs/taxes the Trump administration continue to charge driving up the cost of everything for Americans. Did you vote for higher prices? Did you believe Trump when he pledged to bring down costs on day 1?

Since Trump was elected, we've seen freedom of speech threatened with TV shows taken off the air; broadcast licenses repeatedly threatened; and people arrested for what they say. We've seen the freedom of the press threatened, Americans and immigrants murdered in the streets of our cities by masked armed "secret police". We've seen homes broken into without a judicial warrant. These and many more actions taken violate our Constitution and our laws.

We've seen Trump take a wrecking ball to the White House to build a "corporate funded" ballroom. While Donald Trump might live there, the White House is the peoples house, he is simply the current occupant.

We've also seen 47 boats with 163 people killed with no legal process in the Caribbean – a violation of international law, while the administration treats the bombings as a video game. Another administration video game is the war on Iran. A war that is killing Iranian school children and people in

many nations across the Middle East.

Army Staff Sgt. Benjamin N. Pennington of Glendale is one of at least 13 Americans killed with more than 140 wounded. This is a war that is escalating every day and has cost America at least 16.5 Billion as of day 12. In 2025, Trump and Republicans told Americans that we couldn't afford to feed hungry Americans or provide Medicaid or assistance to purchase health insurance for 16 - 17 million people. Yet just $1 Billion would fully cover the daily costs of permanently extending the ACA tax credit and restoring the all the cuts Medicaid. $1 Billion is less than the cost of 1 day of this war!

Trump is a man who acts like a king. But we don't elect Kings in America and on March 28th over 8 million people took time from their busy lives to show up in streets to say enough! If you are worried that our President is acting like a King come join the Hart County Democratic Party at our April 11th meeting from 9 – 11:30 am at the Hart County Library. There will be another protest immediately following the meeting. Everyone who believes that America is a democratic republic with laws and a Constitution that must be followed by those in office is welcome.

deeper meaning.

Susan first donated her hair to Locks of Love - something that she and her daughter did together years ago. Since then, Susan has been donating hair to the organization Children with Hair Loss. Her husband has also donated a few times as well.

But what began as a thoughtful gesture would later become personal after Susan was diagnosed with breast cancer in 2020.

"I had chemotherapy and lost all my hair," Susan shared.

In 2024, after Susan's hair grew back, she donated 14 inches. Her most recent donation just last week was 12 inches, making this the fourth time she has donated her hair.

"It's something I can do to help others facing hair loss, especially children and cancer patients," Susan said. "It takes on a special meaning since I lost my hair during breast cancer treatments. I know what it's like to lose your hair."

Although Susan is now breast cancer free, she said she will continue to donate her hair and encourages others to do so as well.

"It usually takes 10 to 12 ponytails to make one wig," she said. "The longer you can grow it, the better. After you get your hair cut, just mail it to the address on the website."

Organizations that you can donate hair to include Wigs for Kids, Hair We Share, Locks of Love, and Children with Hairloss. You can visit the websites online for more information.
