Truth and Consequences Program Gives Caverna Students a Real-Life Look at Their Choices

Caverna High School students recently participated in the Truth and Consequences program, an interactive educational experience designed to help students understand how the choices they make today can impact their future.

Throughout the program, students rotated through stations featuring real-life scenarios that demonstrated the potential consequences of decisions involving everyday situations. These hands-on activities gave students an opportunity to think through difficult choices and better understand how their actions can affect their education, health, and future opportunities.

The program provided students with a valuable opportunity to learn beyond the classroom by experiencing realistic situations and considering the long-term effects of their decisions.

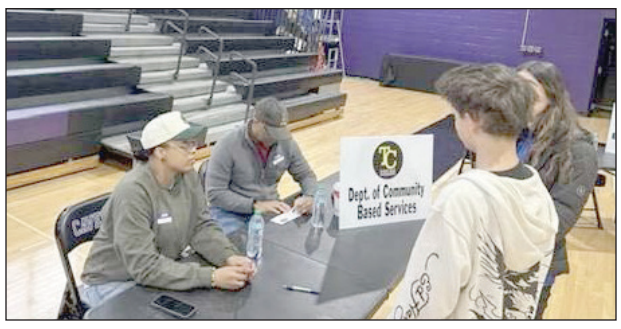

"Programs like Truth and Consequences give students an opportunity to see firsthand that the choices they make today can have a lasting impact on their future. Our goal is that students walked away thinking more carefully about their decisions and recognizing that the future they want begins with the choices they make today," said Terry Smith, Family Resource & Youth Services Center Director.

The Hart County and Barren County UK Extension Offices assisted in coordinating the program, helping provide students with this valuable hands-on learning experience.

Caverna Independent Schools appreciates the UK Extension Offices, volunteers, community partners, and everyone who helped make this program possible. Their time and commitment provided students with a meaningful learning experience and reinforced the importance of making informed, responsible choices.

PUBLIC NOTICE

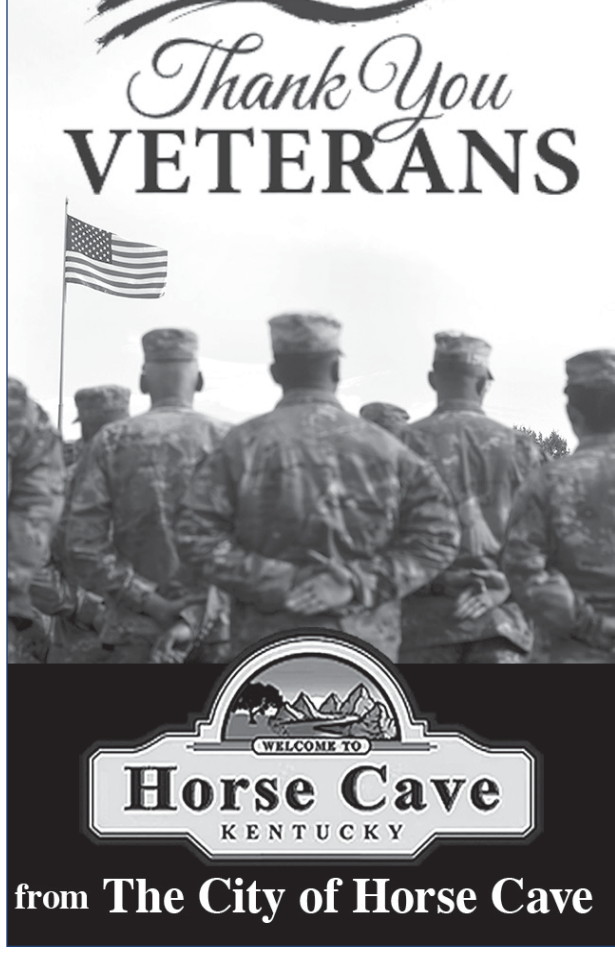

Residential Garbage Rate Change

Due to rising operating costs, Hart County Solid Waste will increase the garbage collection rate to $30.00 per month per garbage can effective January 1, 2027.

Senior citizens who are 65 years of age or older qualify for a reduced rate of $25.00 per month for one garbage can.

Additionally, customers who pay for the entire year in advance during the month of January will receive one month of service free of charge.

Hart County Solid Waste appreciates your continued support and understanding as we work to maintain reliable service across our community.

Unscramble these twelve letter strings to form each into an ordinary word (ex. **HAGNEC** becomes **CHANGE**). Prepare to use only ONE word from any marked (♥) letter string as each unscrambles into more than one word (ex. ♥**RATHE** becomes **HATER** or **EARTH** or **HEART**). Fit each string's word either across or down to knot all twelve strings together.
