NOTICE OF INTENTION TO MINE

Pursuant to Application Number 897-0588, Renewal No. 3
In accordance with KRS 350.055, notice is hereby given that ICG Hazard, LLC, 250 West Main Street, Suite 2000, Lexington, Kentucky 40507 has applied for a renewal of a permit for surface coal mining and reclamation operation affecting 588.69 acres located 0.5 miles northeast of Dunraven in Perry County.

NOTICE OF INTENTION TO MINE 1

The proposed operation is located on the Krypton USGS 7.5 minute quadrangle map. The surface area to be disturbed is owned by ACIN LLC.

The application has been filed for public inspection at the Division of Mine Reclamation and Enforcement Hazard Regional Office, 556 Village Lane, Hazard, Kentucky 41702. Written comments, objections, or requests for a permit conference must be filed with the Director of the Division of Mine Permits, 300 Sower Boulevard, Frankfort, Kentucky 40601.

NOTICE OF BLASTING SCHEDULE PERMIT NO. 897-0592

In accordance with the provisions of 405 KAR 16:120, Section 3 (1)(a), Noble Construction, P.O. Box 83, 505 Pigeonroost Road, Bueland, KY 41722, phone (606) 378-8222, permit number 897-0592, proposes the following blasting schedule. The blasting site consists of approximately 112.37 acres located in Perry County, approximately 0.25 miles northwest from the junction of KY 80 and KY 476 and located 0.1 miles west of Troublesome Creek. Detonations of explosives are proposed to occur from sunrise to sunset Sunday through Saturday. The blasting schedule is for the period from December 1, 2025 to December 1, 2026.

Entry to blasting area will be regulated by signs or barriers. An authorized company representative will prohibit access to the blasting areas by unauthorized persons at least ten (10) minutes before each detonation. The warning signal shall consist of a one (1) minute series of long siren blasts five (5) minutes prior to the blast. One (1) minute prior to the blast, a series of short blasts shall be given. The all clear signal will be one (1) prolonged siren blast, following the inspection of the blast area. These signals will be audible within one half mile of the blasting site.

Child Find for Children with Disabilities in Need of Special Education or 504 Services

Educational Records

The Perry County School District keeps educational records in a secure location in each school and Board office.

The Perry County School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

Eligibility

Children eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool program include three- and four-year-old children identified with disabilities. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 plan to receive State-Funded Preschool program services.

The Perry County School District has an ongoing "Child Find" system, which is designed to locate, identify and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The district's "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Perry County School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Perry County School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parents or guardian; the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Perry County School District collects the information needed. The information the school District collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Perry County School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call 1-606-439-5813 or send the information to:
