NOTICE OF BOND RELEASE

Pursuant to Application Number 897-0609

In accordance with the provisions of KRS 350.055, notice is hereby given that Blue Diamond Mining, LLC, 250 West Main Street, Suite 2000, Lexington, Kentucky 40507 has applied for renewal of a permit for an underground coal mining operation located 1.2 miles west of Fusonia in Perry County. The operation disturbs 16.2 surface acres.

The operation is approximately 1 mile west of KY 7s junction with KY 2447 and located on Orchard Branch.

The operation is located on the Vicco U.S.G.S. 7.5 minute quadrangle maps. The Surface area to be disturbed is owned by Emma Brashear Heirs (Susie El Brashear, Anthony L. and Linda Kay Brashear, Sampson Brashear, Edna and Wayne Jennings).

The application has been filed for public inspection at the Division of Mine Reclamation and Enforcement, Hazard Regional Office, 556 Village Lane, Hazard, KY 41702. Written comments, objections or requests for a permit conference must be filed with the Director, Division of Mine Permits, 300 Sower Boulevard, Frankfort, KY 40601.

This is the final advertisement of the application; all comments, objections or requests for a permit conference must be received within thirty (30) days of this date.

PUBLIC NOTICE

There will be a Perry County LEPC Meeting on October 8, 2026 at 12:00 PM in the old courthouse.

LKLP Community Action Council is now accepting applications for bulk fuels for the SUBSIDY and CRISIS component of the 2026-2027 Low Income Home Energy Assistance Program (LIHEAP).

Vendors will provide fuel at the price they have established, not to exceed the fair market price as established by LKLP, and understand that the customer will select the vendor from the Approved Vendor List. The SUBSIDY component will begin on November 9, 2026 and continue through December 18, 2026. The Crisis component dates will be announced at a later date. To obtain an application packet, contact Albert Smith at the LKLP Central Office at (606) 435-7996 or the local County Outreach Office. Applications should be submitted by 12:00 noon, Friday, October 23, 2026.

Each Outreach location is ADA accessible. If you need assistance with a language accommodation or have limited English proficiency needs, please contact your local Outreach Director.

This project is funded, in part, under a contract

PUBLIC HEARING

STMO Bn, LLC (Starfire) gives notice that the Kentucky State Board on Electric Generation and Transmission Siting shall convene a local public hearing on October 15, 2026, at 5:00 p.m. Eastern Daylight Time, at the Perry County Fiscal Court-house, 481 Main Street, Hazard, Kentucky 41701 for the purpose of receiving public comment on Starfires Application for a Certificate of Construction for an Approximately 200 Megawatt Merchant Electric Solar Generating Facility and Non-regulated Electric Transmission Line in Knott and Perry Counties, Kentucky, Case No. 2026-00180.#0.

LEGALS

Floodplain and Wetland Notice of Explanation Activity in a 100-Year Floodplain

To: All interested Agencies including all Federal, State, and Local, Groups and Individuals

This is to give notice that the Perry County Fiscal Court under 24 CFR Part 58 has conducted an evaluation as required by Executive Order 11988 and/or 11990, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management, to determine the potential affect that its project in the floodplain and wetland will have on the human environment for the Perry County Radio Read Meter Project under the Kentucky Infrastructure Authority. The project will replace 1,065 radio read meters that will reduce manpower and time and allow utilities to monitor consumption patterns more efficiently and detect issues like leaks and tampering sooner.

The Perry County Fiscal Court has considered the following alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values. The first option would be to install software only. The Court considered taking no action and continuing to read the meters manually. The Perry County Fiscal Court considered constructing the project as designed of which part of the project may be in the 100-year floodplain as designated by August 2, 2006, FEMA Floodplain Maps: with very minimal impacts to the floodplain areas. State and local floodplain protection procedures will be implemented for this project.

The Perry County Fiscal Court has re-evaluated the alternatives to building in the floodplain and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988 and/or 11990, are available for public inspection, review and copying upon request at the times and location delineated in the last paragraph of this notice for receipt of comments. This activity will have no significant impact on the environment for the following reasons:
The installation of new meters for the Perry County Radio Read Meter Project in the floodplain areas will utilize best management practices and will observe local sedimentation and erosion control ordinances. Once constructed, the project will not impede the floodplain. This is the most economical and least environmentally impacting alternative considered.

Written comments must be received by the Perry County Fiscal Court at the following address on or before: 2:00 pm on Friday, October 23, 2026, Perry County Fiscal Court, P.O. Drawer 210; Hazard, KY 41702; or 481 Main Street; Hazard, KY 41701, PH; Attention: Scott Alexander Perry County Judge Executive, during the hours of 8:00 a.m. to 4:00 p.m. The phone number is 606-439-1686 or email at hazardperrygrants@yahoo.com.

NOTE: There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

LEGAL NOTICE

Financial documents for the Perry County Public Library may be examined by the public at 289 Black Gold Blvd., Hazard, KY by appointment. Please contact Sheila Lindsay at 606-436-2475

PUBLIC NOTICE

There will be a Perry County LEPC Meeting on October 8, 2026 at 12:00 PM in the old courthouse.

LKLP Community Action Council is now accepting applications for bulk fuels for the SUBSIDY and CRISIS component of the 2026-2027 Low Income Home Energy Assistance Program (LIHEAP).

Vendors will provide fuel at the price they have established, not to exceed the fair market price as established by LKLP, and understand that the customer will select the vendor from the Approved Vendor List. The SUBSIDY component will begin on November 9, 2026 and continue through December 18, 2026. The Crisis component dates will be announced at a later date. To obtain an application packet, contact Albert Smith at the LKLP Central Office at (606) 435-7996 or the local County Outreach Office. Applications should be submitted by 12:00 noon, Friday, October 23, 2026.

Each Outreach location is ADA accessible. If you need assistance with a language accommodation or have limited English proficiency needs, please contact your local Outreach Director.

This project is funded, in part, under a contract

Floodplain and Wetland Notice of Explanation Activity in a 100-Year Floodplain

To: All interested Agencies including all Federal, State, and Local, Groups and Individuals

This is to give notice that the Perry County Fiscal Court under 24 CFR Part 58 has conducted an evaluation as required by Executive Order 11988 and/or 11990, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management, to determine the potential affect that its project in the floodplain and wetland will have on the human environment for the Perry County Radio Read Meter Project under the Kentucky Infrastructure Authority. The project will replace 1,065 radio read meters that will reduce manpower and time and allow utilities to monitor consumption patterns more efficiently and detect issues like leaks and tampering sooner.

The Perry County Fiscal Court has considered the following alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values. The first option would be to install software only. The Court considered taking no action and continuing to read the meters manually. The Perry County Fiscal Court considered constructing the project as designed of which part of the project may be in the 100-year floodplain as designated by August 2, 2006, FEMA Floodplain Maps: with very minimal impacts to the floodplain areas. State and local floodplain protection procedures will be implemented for this project.

The Perry County Fiscal Court has re-evaluated the alternatives to building in the floodplain and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988 and/or 11990, are available for public inspection, review and copying upon request at the times and location delineated in the last paragraph of this notice for receipt of comments. This activity will have no significant impact on the environment for the following reasons:
The installation of new meters for the Perry County Radio Read Meter Project in the floodplain areas will utilize best management practices and will observe local sedimentation and erosion control ordinances. Once constructed, the project will not impede the floodplain. This is the most economical and least environmentally impacting alternative considered.

Written comments must be received by the Perry County Fiscal Court at the following address on or before: 2:00 pm on Friday, October 23, 2026, Perry County Fiscal Court, P.O. Drawer 210; Hazard, KY 41702; or 481 Main Street; Hazard, KY 41701, PH; Attention: Scott Alexander Perry County Judge Executive, during the hours of 8:00 a.m. to 4:00 p.m. The phone number is 606-439-1686 or email at hazardperrygrants@yahoo.com.

NOTE: There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.
