PUBLIC NOTICE OF BLASTING SCHEDULE PERMIT NUMBER 866-0354

In accordance with the provisions of 405 KAR 16:120 Section 3, B & W Resources, Inc., 300 Liperote Way, London, Kentucky 40741, (606) 251-3070 proposes the following blasting schedule. The blasting site consists of approximately 457.2 acres located approximately Located in Aces Branch, Big & Little Peavine Branch in Leslie County and in Beech Oak Branch of Perry County, approximately 0.5 miles southeast of the intersection of the Hal Rogers Parkway and Lower Macintosh Road. Latitude 37° 13 32 and Longitude 83° 19 34.

Detonations of explosives are proposed to occur from sunrise to sunset, Monday through Sunday.

The blasting schedule is for the period from January, 2027 through January, 2028.

Entry to the area is over coal haul roads. Appropriate signs and markers will be erected at the entrances. Access to the blasting area will be blocked by a company representative at least ten (10) minutes prior to any detonation. All public roads that are within a reasonable distance, as determined by the mine operator, will be blocked prior to blasting. The blocked roads will be re-opened following the All-Clear Signal. Audible blast warning and all-clear signals will be used before and after blasting. A siren, audible for one-half mile of the Blast Area, will be used as the signaling device. The "Blast Warning Signal" will consist of a one-minute series of long siren blasts five minutes prior to the "Blast Signal". The "Blast Signal" will be a one-minute series of short siren blasts one minute prior to detonation, The "All-Clear Signal" will be one prolonged siren blast following an inspection of the blasting area. All blasting will be conducted during the designated time periods except in the case of emergency conditions. Emergency conditions include, but are not limited to, rain, lightning, and other atmospheric conditions or deteriorated explosives which involve personnel, operational or public safety. If an Emergency or unscheduled blast is to occur, all land owners within the half mile blast radius will either be notified by phone call or by a B&W Resources employee traveling to their house and notifying in person, all other normal blasting requirements, audible blast warnings, closing of blast area will be followed according to the current plan.
