DIRECTOR, MEMBER AND PUBLIC
COMMUNICATIONS

Farmers RECC held its Annual Meeting on July 9, 2026, at the Cave Area Conference Center. This year featured a drive-thru registration process where members were able to register and pick up their Annual Meeting gifts from 8 a.m. to 4 p.m. At 2 p.m., it was determined that a quorum was present, and Board Chairman Randy London called the business meeting to order.

Farmers RECC President and CEO, Toby Moss, announced to the members that this would be his last annual meeting with the cooperative as he moves into the same role at a different cooperative to be closer to family. He reflected on the accomplishments of the cooperative during his tenure. Mr. Moss highlighted the growth and successes Farmers RECC has achieved while continuing its commitment to providing safe, reliable, and affordable electric service to its members. During his remarks, Mr. Moss recognized his successor, Mr. Chuck Bishop, and offered congratulations and best wishes as he prepares to lead the cooperative.

Mr. Moss concluded his address by recognizing Farmers
