FRANKFORT, KY - On October 30, the Kentucky State Police (KSP) honored 40 cadets graduating from Cadet Class 107 the KSP Training Academy, marking the start of their careers as state troopers serving communities across the Commonwealth.

Cadet Class 107 reported to the KSP Academy on May 17 and completed 24 weeks of intensive academic instruction and practical training designed to prepare them for the challenges of modern law enforcement. Cadets in the class underwent more than 1,000 hours of classroom and field study in subjects such as constitutional law, juvenile and traffic law, use of force, weapons training, defensive tactics, first aid, high-speed vehicle pursuit, criminal investigation, computer literacy, hostage negotiations, evidence collection, radio procedures, search and seizure, crash investigation, drug identification, traffic control, crowd control, armed robbery response, electronic crimes, sex crimes, hate crimes, domestic violence, bomb threats, and hazardous materials.

Several members of the graduating class received special recognition during the ceremony.

Trooper Peyton Nash received the "Ernie Bivens Award," for distinction as a leader, strives for academic excellence, and excelled in all phases of training.

The class Valedictorian, which includes a new 2026 Dodge Durango police cruiser, was awarded to Trooper Peter Rougeux. The Salutatorian was awarded to Trooper Tristan Thomas.

Thirteen cadets earned their associate degree in general occupational and technical studies from Bluegrass College during their 24 weeks at the training academy.
