The determination and identification of "most responsive and responsible proposal" shall be based upon such investigation as the City deems necessary under the circumstances and may, at the discretion of the City Administrator, require the production of a credit report, credit history, or such other documentation as the City Administrator may deem necessary in order to determine the submitter's ability to fully perform the requirements of the proposed contract. All proposals may be evaluated on the basis of cost, value, quality of workmanship, quality of materials, reliability, experience, expertise, reputation, service, availability, location, timeliness, quality, convenience, references, and specification compliance.
