

GES ROCKS THE STATE!

We are beyond proud to celebrate GES 5th graders Kayvree Spurlock, Calla Randall, and Avery Melton, who auditioned for—and were accepted into—the KMEA All-State Modern Band, hosted by the Kentucky Music Educators Association. If you're wondering what a modern band is, think garage rock energy—electric guitar solos, driving drum beats, choreographed dancing, and powerful harmonies. These three students were selected as three of only nine elementary school musicians from across the entire state to take part in this one-of-a-kind experience!

On Thursday, they traveled to Louisville and jumped right into arranging and rehearsing seven student-selected songs, including: Crazy Train – Ozzy Osbourne; Tin Man – Miranda Lambert; Back Up Plan – Bailey

Zimmerman; Happier – Bastille & Marshmello; Back in Black – AC/DC; Stargazing – Myles Smith. Plus an original song written to introduce the band members

Then on Friday night, they took the stage and delivered a head-banging, toe-tapping performance to a packed ballroom—hundreds of people cheering as they absolutely ROCKED it! What made it even more impressive? Every group—from elementary to middle to high school—sounded like musicians who had been playing together for years, not just days. They truly are rockstars. They conquered stage nerves, collaborated with students they'd never met, created something amazing together—and made new friends along the way. Way to go, Kayvree, Calla, and Avery! GES is cheering you on loud and proud!
