

New Look for Station 2

We are incredibly excited to unveil a fresh new look at the Central City Fire Department! A massive thank you goes out to A & B Sign Company in Madisonville, KY, for their generous donation of a brand-new sign for our station. This addition has truly given our facility a much-needed “face lift,” helping us stand out even more as a pillar of the community. We also want to extend our gratitude to Capital Signs for their professional work in getting the sign installed and looking sharp. Finally, a special shout-out to our Community Liaison, Mike Vanderver, for his hard work in securing this donation. Partnerships like these allow us to continue improving our department so we can better serve you. Next time you drive by the station, be sure to check it out! Photoed with this new sign from left to right are: Assistant Chief Blaise Sullivan, Firefighter Logan Adams, Chaplain Danny Miller, Chief Caleb Phelps, and Deputy Chief Logan Franklin. Congratulations Jackson Bowen!

Please join us in congratulating Jackson Bowen on earning his Kentucky Firefighter Basic 1 Certification! This is a big milestone and a testament to the hard work, dedication, and commitment it takes to serve our community. Becoming certified is no easy task—it requires hours of training, learning, and pushing yourself to be ready when the call comes in. Jackson has put in the work and proven he’s ready to stand with the rest of the crew. We’re proud to have you on the team, Jackson. Keep pushing forward and stay safe out there!
