LEGALS

ADVERTISEMENT FOR FUEL

The City Commission of the City of Maysville, Kentucky will be accepting bids for the purpose of supplying unleaded gasoline and diesel fuel to be used at the City of Maysville Fuel Depot.

Bids are being required for both fuel and delivery and they must remain in effect until June 30, 2027.

Fuel bids should reflect price as against current established distributors rack price, with telephone numbers to track pricing throughout the year.

Each invoice must include a copy of load manifest to verify the origin of the load.

Delivery fees should reflect a price per gallon for both gasoline and diesel and fixed delivery charge.

Gasoline bids should be based on conventional unleaded 87 octane. Diesel bids should be based on undyed, low sulfur No. 2.

The amount of gallons ordered can vary based on usage and the City must know when the supplier will be on site.

Any federal or state credits due the City should be included in the bid.

Bids will be received until 1pm EST on Wednesday, May 27, 2026 at City Hall, 216 Bridge Street, Maysville, KY 41056, and then publicly opened and read aloud. Bids can be mailed or dropped off at City Hall, but must be in a sealed envelope.

The City of Maysville reserves the right to accept or reject any or all of the bids, and to accept the bid that best serves the citizens of Maysville.

Please contact Luke King, Director of Public Works, at 606-759-0419 or lukeking@cityofmaysvilleky.gov with any questions.
