JROTC Cadets Complete Service Project

E-mail: heraldadvertising@yahoo.com

Herald Report

Cadets from the Lewis County High School JROTC program recently completed a service learning project at Veterans Memorial Park on Saturday, March 28.

The project marked the first time JROTC cadets have participated in a cleanup effort at the park. Throughout the day, cadets worked to improve the grounds by picking up trash, spreading new mulch, and

pressure washing the sidewalks. The effort not only enhanced the appearance of the park but also provided cadets with a hands-on opportunity to give back to the community while honoring

local veterans.

JROTC leaders expressed appreciation for the opportunity to contribute to the upkeep of a meaningful local landmark and look forward to future service projects within the community.
