## OWENS

from Al

Republican Party, Orie S. Ware Masonic Lodge 874, and First Baptist Church of Whitley City.

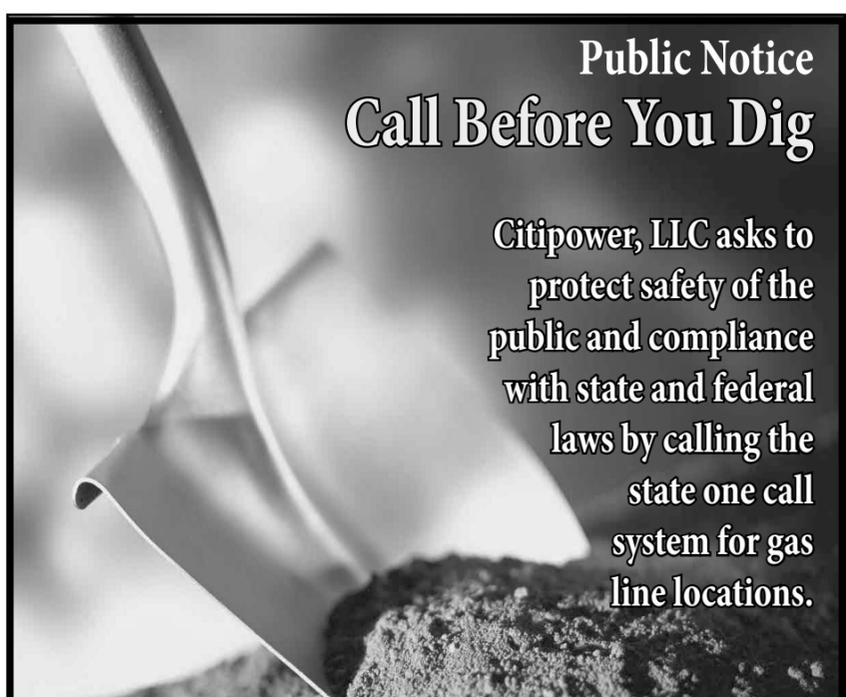

Through the nearly fifty years that the JROTC program has existed at McCreary Central High School, its cadets and staff have had a major impact on the local community. That includes years of conducting military funerals, to march

in parades, community cleanup efforts, and motivating young people to be better citizens.

In recognition for his many years of service, and for the work he put in building the local program, the JROTC wing at McCreary Central will be dedicated and named in his honor. The special ceremony will begin Friday April 3rd at 5:00pm and will also include gathering in the school library for refresh-

ments. WMCHS, the student-led news broadcast at the high school, will also offer a step back in time during the program, as they look at a piece of local school and JROTC history. The community is welcome to attend the event in honor of the late LTC Sherril Owens.

For information on the special dedication ceremony, call McCreary Central High School at (606)376-5051.
