No blasting will be conducted before sunrise or after sunset. At least 10 minutes before the detonation, company personnel will control access to the area to prevent the presence of livestock or unauthorized personnel. Five (5) minutes before a blast signal, the signal will be given which will consist of three (3) long blasts of a siren. One (1) minute prior to the detonation, the signal will be given which will consist of three (3) short blasts of a siren. The all clear signal will be given after the detonation, which will consist of one (1) prolonged blast of a siren following the inspection of the blasted area. Blasting will not be conducted at times different from those given above except in emergency situations where rain, lightning, other atmospheric conditions, or operator or public safety requires unscheduled detonation. Prior to these detonations, the permittee shall notify all persons within one-half (1/2) mile of the blasting site using the following audible warning will be given: Five (5) minutes before a blast signal, the signal will be given which will consist of three (3) long blasts of a siren and one (1) minute prior to the detonation, the signal will be given which will consist of three (3) short blasts of a siren prior to detonation. The "Blasting Schedule" will be published in the Appalachian News-Express (Pike County) at least 10 days, but not more than 30 days, before beginning a blasting program. The "Blasting Schedule" and meanings of blast signals will be republished and redistributed at least every twelve (12) months. The "Blasting Schedule" shall be revised, republished, and redistributed at least ten (10) days, but not more than thirty (30) days prior to blasting whenever the area covered by the schedule changes, the actual time periods for blasting significantly differ from those identified in the prior announcement, or the permittee changes the types or patterns of warning or all-clear signals identified in the prior schedule. Copies of the "Blasting Schedule" will be mailed via USPS to the County Judge, the property owners listed in Item 9.1, public utilities in the vicinity, the regional DNR of-	file, and all residents within one-half (1/2) mile of the blasting area at least ten (10) days, but not more than thirty (30) days, before beginning the blasting program.
