New Americans to take oath July 4 at Lincoln Birthplace

BY PAXTON MEDIA GROUP

Abraham Lincoln Birthplace National Historical Park announced plans to celebrate the 250th anniversary of the signing of the Declaration of Independence with a naturalization ceremony on the Fourth of July.

The ceremony is scheduled at 11 a.m. July 4 as part of the park's commemoration of nationwide Freedom250 cele-

bration.

"Hosting a naturalization ceremony on Independence Day at Abraham Lincoln's birthplace is a meaningful way to celebrate the ideals of freedom, democracy and citizenship that unite our nation," Superintendent Joshua Manley said in an announcement. "As part of the Freedom250 commemoration, we are proud to welcome America's newest citizens and invite the public to

share in this special occasion."

The ceremony will take place near the base of the stairs leading to the Memorial Building.

Approximately 30 individuals from around the world will take the oath of allegiance and become citizens of the United States during the ceremony. Family members, friends and supporters will join them as they celebrate this important milestone.

This year's new residents share

a connection to the U.S. military, either personally or through a close family member.

The National Park Service is honored to welcome these new citizens at the birthplace of Abraham Lincoln, the 16th president of the United States, whose leadership helped preserve the Union and advance the cause of freedom.

An Abraham Lincoln presenter will greet and congratulate the

new citizens following the ceremony. Throughout the day, kids can participate in free hands-on craft activities that will celebrate our nation turning 250 years old.

The naturalization ceremony is free and open to the public. Visitors should plan to arrive early.
