really well in the last month or so. Oakland has been a consistent shooter. I just told them to get more reps up.”

Rondo drilled another three on the following possession. Shearer came up with a steal and found Bradley for a layup. North started to get its rotational guys into the game to get them some experience to close out the third quarter. North sophomore Crutcher Townsend made a 3-pointer, and senior Fernando Soares and junior Ryan Seely made layups to help extend the Mustang lead to 74-30 to end the third.

“You never know who you're going to need in a tournament like this,” Levitch said. “[Getting into] foul trouble, you never know. It was kind of important that, if we were winning comfortably, to get three or four guys some minutes to see how they would do in front of a bunch of people at the region tournament where everything is a little tighter. I thought they all came in and played very loose. You never know who you might need.”

the first points of the fourth quarter. Junior Henry Howard also made a three before Seely came up with a steal and made a layup. Soares closed out the game

with a layup to give North Oldham an 84-38 win to

advance the Mustangs to the regional semifinals.

North Oldham will play the Woodford County Yellow Jackets (18-7) on Monday night in the semifinals of the Eighth Region Tournament at 8 p.m. at Henry County High School.

“I fully expect that it will probably be Woodford,” Levitch said. “We saw a couple of upsets on the first night of the tournament, so you never know in a game like this. If we do play Woodford, they're so physical. We match up with them. They match up well with us. I expect it to be a high-intensity game with a lot of athleticism.”
