those roles this year.

“The more they play together, the more they’re going to be comfortable, and we’ll kind of figure out here in the scrimmages coming up,” Cantrell said. “Having a goalkeeper coming back that played almost every minute for us and starts with him communication-wise, kind of getting the backs organized and keeping everything steady for us.”

Villegas has seen a lot of growth from Whitley from last year and expects him to make a leap this season.

“He didn’t play all that much, but he always had that

potential to be the best defender, the best player, and he’s definitely showed it at the beginning of the season,” Villegas said. “He’s on point, ran the tackles, has a good mentality and makes good passes. I think it’s the same for the whole back line. I think everybody’s eager to show, because last year’s minutes were pretty tough. Everybody’s ready to show their abilities.”

South Oldham is returning a crucial piece to the defense in junior goalie Ethan Briscoe. Briscoe played in 21 games last year and made 54 saves while helping keep eight shutouts. Cantrell has continued to see growth from him this offsea-

son. “I just think confidence and being able to communicate, being comfortable in his skin to take charge back there,” Cantrell said. “Being a sophomore and having a lot of seniors, it’s a little more difficult. Now, he’s kind of stepped up in that role and been very vocal and looking for him to have a big year.”

Villegas has seen Briscoe become a leader in the back line and has also seen him be more comfortable with being more vocal with his teammates. Villegas and Walker have seen continued growth in his ability and his intelligence at the position.

“I think his confidence is pretty high going into the season, and his shot stopping abilities are fantastic,”

Walker said. “He’s a pretty reliable keeper to have back there and give us some peace of mind going forward in defending.”

Cantrell has also seen a lot of growth from sophomores Ben Cehic and Blake Lewis and expects them to continue to grow and learn the system from playing junior varsity and varsity this season. He wants to see them continue to build chemistry with their teammates heading into the season.

Going into the season, the goal for Cantrell and his team is to make it back to the state tournament. He wants to see his guys start the season playing together and playing within the system.

“We want to just make

sure we learn and play our style of play, how we want to keep the ball, and every game that we play is going to help do that,” Cantrell said. “The goal still stays the same. We want to win the district, win the region and see what happens if we get to the state tournament.”

South Oldham had one of the best defenses last season. Villegas believes the team’s identity starts with that side of the ball, and he believes if the team is going to replicate last year, it’s going to be built off team defense.

“We were, I think, the sixth best team in the state for goals not conceded, and I think just starting the season, getting wins, getting goals, not conceding goals and

building our way up, getting better as a team and then beating our rivals in North Oldham and Oldham County in the districts and then same with the region,” Villegas said.

Walker wants the team to focus on one game at a time throughout the season and have a continual growth mindset to hopefully make a run like last year’s team.

“I think just focusing on just the game in front of us, taking it one step at a time, continuing to improve at practice is going to be crucial as well,” Walker said. “I think making a good run at regionals, maybe even state or district, is going to be very important to performing and keeping our success high.”
