LOOKING BACK

1926
Golden Anniversary

Mr. and Mrs. Henry Plum of New Liberty celebrated their 50th wedding anniversary Sunday. All the children were there except Mrs. L. Layton. A very sumptuous dinner was served and everyone had a very enjoyable day and wished for Mr. and Mrs. Plum many more anniversaries.

To Sell

The Alfred B. Davis farm, near Owenton on the Sparta road, will be sold at auction Saturday, Nov. 6. This is known as one of the best and most desirable farms in Owen County and its sale next Saturday is likely to arouse considerable interest. Two or three years ago, Mr. Leslie Martin of Oklahoma purchased the farm from Mr. Harry Davis. Mr. Martin now finds that he cannot move to the place, so he has concluded to sell.

Senior Items

A senior party given Friday night by Miss Anna Mae Smith was a huge success. Miss Smith's father gave us some real old-time fiddling. An elaborate lunch was served in which Miss Beard heavily partook of two extra sandwiches and two cups of chocolate. Our fortunes were told by a real fortune teller. Miss Smith's host gave us a scene of jiggering, which was enjoyed very much. After a few more games and songs, we bade Miss Smith good night and journeyed home.

The class rings have at least arrived and all area pleased wit h both the rings and pins.

We are glad to hear Blanch Roberts is improving after a terrific fight with typhoid fever.

Personal

Mrs. Nell Searcy is ill at this writing.

Walter Wilhoite and family motored to Covington.

1956
Destroyed

The four-room house owned by E.C. Grugin and occupied by the family of Chester Cook near Monterey was destroyed by fire last Saturday afternoon. Mrs. Cook, who was out in the front yard at the time, said the kerosene cooking stove apparently exploded and started the fire. The building was formerly the old Carter school building before it was converted into a dwelling. The house was partially covered by insurance.

Fire of undetermined origin destroyed the tobacco and feed barn on the farm of Arthur Webster on Eagle Hill road. The barn burned quickly and it was impossible to save any of the contents. Two hogs, property of a Mr. Jacobs who lives on the farm, were destroyed and also between 2,500 and 3,000 sticks of tobacco hanging in the barn. The tobacco belonged to James Holder.

Closed

All county government offices in the courthouse will continue to be closed on Wednesday afternoons the year around. A rule to this effect has been approved by the Owen county fiscal court.

Chosen for Board

The Owenton Department store asked for a senior girl to be nominated by the home economics department to serve on McCall sewing board along with a select group from throughout the state. Eloise Walls was chosen to represent Owen county. The board may be called upon to select teen-age fashions for the pattern company.

Birthday

Mrs. Alice Imel celebrated her 85th birthday at her home here in Perry Park.

About Our Sick

Eagle Hill: Mrs. Belle Slaughter remains about the same at her home; Dan Cook is suffering from low blood pressure again.

Canby: John D. Howard, who was hurt by a tree saw two weeks ago, is getting along nicely, but does not know when he will be home from the hospital.

Pleasant Home: Mrs. Effie Hundley underwent a major operation last week at Good Samaritan Hospital, Lexington. She is now home and doing fine.

Monterey: Mrs. Ira Kemper, who suffered a stroke several days ago, is at the Owenton home of a son, J.R. Kemper.

2016
Plans Moving Forward

Lower Thomas Lake is about to get a family friendly facelift. At October's Owen County Chamber of Commerce breakfast, Owenton Mayor David "Milkweed" Wotier presented his annual state of the city address. He mentioned recent success for downtown Owenton businesses and initiatives to move the county forward, one of which is a family fun park.

Once the city's main water supply, Lower Thomas Lake, located on Water Plant Road, holds land and building potential to become a new fun park for the whole family to visit and spend the day, according to Wotier.

Taken on by Strand engineering, the project is expected to cost around $2.7 million, which Wotier says will be funded through grants.
