Detailed copies of the following Ordinances adopted by the Board of Commissioners of the City of Paducah on February 24, 2026, are on file and may be obtained upon request at the Office of the City Clerk, City Hall, 300 South 5th Street, Paducah, Kentucky.

"AN ORDINANCE REPEALING AND REPLACING CHAPTER 42 OF THE CODE OF ORDINANCES RELATING TO RENTAL OCCUPANCY PERMITS AND INSPECTIONS."
 This Ordinance is summarized as follows: This ordinance repeals and replaces Chapter 42 of the Paducah Code of Ordinances related to the registration, permitting, and inspections of rental dwelling units. Rental dwelling units consisting of one- and two-family units are subject to enforcement and shall be registered with the Fire Prevention Office by July 1 of each year. Failure to register shall result in a \$100.00 fine per unit. A moratorium allows units occupied before March 1, 2026 to register without fine by January 1, 2027. New rental units must be registered within 30 days of availability. Landlords must apply annually for rental occupancy permits by July 1, providing detailed contact information for owners, agents, and responsible persons, along with property addresses for units. The annual permitting and inspection fee shall be \$50.00 per unit, not to exceed \$500.00 total for all units owned by a single property owner. Permits shall be valid for one fiscal year. Standards for issuance shall include substantial code compliance, possession of a business license, payment of all applicable city taxes, fees, and liens. Procedures are set forth whereby inspections shall occur annually, with discretionary authorization for self-attestation in lieu of on-site inspections. Inspections shall verify compliance with building, electrical, fire, and property maintenance codes. Procedures for follow-up inspections and associated fines are set forth. Inspection policies prioritize geographic distribution, tax delinquency, landlord compliance history, and police reports of criminal activity. Procedures are set forth for violations of code, triggering written notices and a correction period, as well as for denial or suspension notices, appeal rights, requirements for vacating tenants, and public posting on the premises. Criminal and nuisance violations triggering revocation of rental dwelling unit permits are set forth, as well as procedures for notification to property owner and tenants, and requirements for eviction. The Ordinance provides suspensions, revocations or denials shall be appealed within five days to the Deputy Chief or Battalion Chief of Fire Prevention, and if upheld, further appeal may be made to the Code Enforcement Board. Appeals related to state fire code matters are held in abeyance pending final decision by the local appeals board pursuant to KRS Chapter 227. Pursuant to KRS 83A.060(9) the following text is set out in full:

- Sec. 42-66. Rental Unit Registration.
 (a) Annual Registration. All owners of rental dwelling units shall annually register the rental property within the City of Paducah in the Fire Prevention Office. The annual registration deadline shall be July 1 of each year.
 (b) Fines. Any owner of a rental dwelling unit not registered by July 1 shall be subject to a fine of \$100 per unit.
 (c) Moratorium. Registration of units in existence with occupancy prior to March 1, 2026, shall have no registration fee if registered prior to January 1, 2027. Owners of units in existence with occupancy prior to March 1, 2026 shall be charged \$100 per unit for failure to register prior to July 1, 2027.
 (d) Rental dwelling units opened or purchased following July 1 registration shall be registered within thirty (30) days of being made available for rent.
 Sec. 42-77. Fees and fines.
 (a) Annual Fee. There shall be an annual fee of \$50.00 per rental dwelling unit (not to exceed \$500.00 total fee per property owner for all properties owned by property owner) for issuance of a rental occupancy permit and the initial inspection related thereto. These fees shall be paid to the Fire Prevention Division.
 (b) Fine for failure to permit. Failure to apply for a permit for a rental dwelling unit shall result in a fine of \$50.00 per unit.
 (c) Fine for failed follow up inspections. If the Code Official is required to make inspections beyond the initial inspection and one (1) follow-up inspection, to determine if the required corrections have been made, then the following fines shall result:

Inspections	3rd Inspection	4th Inspection	5th Inspection and All Subsequent Inspections
	\$250.00	\$350.00	\$500.00

(d) Reduction and waiver. Fines assessed herein may be reduced or waived for good cause as determined in the sole discretion of the Deputy Fire Chief in charge of the Fire Prevention Division, or Battalion Chief.
