SALVATION

FROM PAGE B7

reality has everything to do with surrendering our desires and plans so that we can accomplish his vision for

our lives. The renewing of our minds is not an option if we are to please him in this life and at the judgment when someday we will stand before him. God is the refiner, and as fire is used to remove the dross, the Lord uses his fire to eliminate carnality and rebellion from the conscience of his

saints. The more of our sinful nature that is removed from our heart and soul, the more of His holy nature and character can be manifested within us. Is this your highest priority, or will you always refuse to be controlled by God? The earthly life was not all fun and games for Jesus, and neither was

it meant to be for those who are born again and have a passion to become as pure gold.
