MASTERS

FROM PAGE B1

The plan is to major in exercise science with a professional goal of being a physical therapist. She is fueled in that direction by the help she received both physically and mentally when Masters suffered an injury.

To achieve your goals, Masters said there are a lot of people who made that possible.

She thanked her past coaches, such as Steve Gentry, Pete Kremzar and Matt Mooney, and past club coach Daniel Woodley.

Masters also thanks her parents and family who have given her support throughout her soccer journey.

And she thanks best friend, Kyle Baird, who always showed up and offered support.

"All of these people helped make me into the player I am today and I'm truly forever grateful for them," said Masters.
