Adams explained. “We saw what Butler had done (against Bullitt Central) and we knew we had to start well. That quick goal was big. It looked like they were even to us.”

Bullitt East likes to make short passes on the offensive end of the field and possess the ball. That is exactly what they did early in this game. Just four minutes into the match senior Presley Robinson took a pass from Adams at the top of the penalty box and just dribbled around

several players before easily beating the goalie. Four minutes later and it was much the same act as Adams got the ball to Robinson who again put on a little dribbling show before getting an open shot to score again.

With just over 25 minutes to go in the first half, Bullitt East was on the move again when Butler tripped a player in the penalty box. Adams took the penalty kick and the senior converted easily.

That left the score at 3-0 at halftime.

In the second half, Bullitt East was right back in front of the Butler goal. This time Adams took a hard shot from 15 yards out that deflected off a Bearette defender and went past the goalie. At the 30-minute mark,

Adams took a pass from sophomore Aubree Wood and this time her shot along the ground was misplaced and rolled easily into the net.

Adams scored her fourth goal of the game in the final 20 minutes of play. This time the assist came from senior Abby Cunningham. Adams made a quick turn and drilled the shot into the netting from close range.

The final goal of the game came when senior Stella Williams took a corner kick. The ball came down right in front of the goal where sophomore Lizzie Morris headed it down and past the goalie for the final point.

“We did such a good job to possess and win it and keep it,” Bullitt East head coach Pete Kremzar said. “We made the first 11 passes in the game.

“You could tell that they had some talented kids,” the coach added. “We just

needed to hold the ball.”

The coach that this team is ready for the post-season after playing five games early in the season against top-20 teams in the state.

“We’re pretty loose,” the coach said of this group despite them being a relatively young and inexperienced teams. “Part of that comes from the schedule that we played early. Those were some tough games that left us better prepared for what we are facing now.”

Now Kremzar and his team will focus on Bullitt Central.

“We know they will be pumped up and it will be a battle,” the second-year head coach said. “We’ll prepare for them, but we have already seen them once this season. That was a good game.”

Earlier Matches  
The first three rounds of the Girls’ Sixth Region Soccer Super Regional were played last week over

six days, but now there is a five-day break before the championship contest.

The big talk last week was the Thursday game between North Bullitt and Mercy. The Jaguars had crushed the Lady Eagles 8-0 during the second week of the regular season. The game had been moved back a day after heavy rain on Thursday night.

For one of the rare times this season, Lady Eagle head coach Amber Mink had a full group of players after battling injuries for much of the campaign.

That led to a 1-1 tie against the Jaguars in regulation and then a scoreless overtime period. Mercy did not secure the win until taking the lead in the five-shot penalty kicks.

The one goal for North Bullitt was scored by senior Myah McIntyre. Celia Sweet did her strong job in goal, stopping 23 shots before the penalty kicks. Anna Ramsey had

the goal for Mercy on an assist by Tessa Traversa.

The loss ended North Bullitt’s season with a 9-8 record.

In the first-round of the Super Regional, North Bullitt got three goals from Kaydence Lindsey in the first five minutes and then crushed Doss 12-0 in a game that was stopped at halftime. Lindsey finished with five goals while foreign exchange student Lea Schaefer scored four times. The team also got two goals from Dayerlin Jalimar. Assists were handed out to Lindsey, Mariana Montefusco, Hannah Conen and Schaefer.

Bullitt Central advanced to the semifinal game against Mercy with a 9-1 victory over Iroquois on Monday and then an 8-0 win over Pleasure Ridge Park on the Lady Panthers’
