

BULLITT

FROM PAGE B1

Fifth, Seventh and Eighth Regions were not among that group. Bullitt East has won six Sixth Region titles over the last decade but has not won a single game in the state tournament. Add in a Sixth Region title by North Bullitt and the mark is 0-7 for local teams. In fact, no Sixth Region

team, including Mercy and Whitefield Academy, has won a game in the state tournament in the last ten years.

On Monday at Central Hardin Bullitt East was behind the eight-ball less than eight minutes into the match when Central Hardin sophomore Addison Maddock, the coach's daughter, got the ball on the left side of the field. She turned and rocketed a shot that went over Bullitt East goalie Sophia Price's head and into the top of the netting.

That was all Central Hardin needed as Bullitt East only forced the Lady Bruins' goalie to make

one save in the game.

At the 28-minute mark Lady Charger fans may have thought for a moment that it could be the team's night. The Bullitt East defense tripped a player in the box, but on the penalty kick, Naomi Housley's bounced off the top of the cross-bar and out of play.

That emotional jump did not last long. The game got away from the Lady Chargers in a 90-second span late in the first half. As the clock ticked to 11:37, the Lady Bruins' Audrey McGee took a 30-yard shot from in front of the Bullitt East bench. The shot was high and

floated over the head of Price. The ball hit just in front of the line and bounced into the goal.

Less than 90 seconds later, Central Hardin was in a scoring position again. McGee had the ball again and this time drilled a shot this time that the defense could not get in front of, making it 3-0, an advantage that went into halftime.

The second half was just more of the same. Before five minutes went

off the clock, Central Hardin got a quick reversal and got the ball close in front of the goal with

Sophia Swink beating Price. The next goal came

NOW HIRING: Contract Clinical Director - Substance Abuse Program (SAP)
Location: Bullitt County Detention Center, Shepherdsville, Kentucky
Position Type: Independent Contractual Position
Contractor: Clinical Director will operate under an applicable contractual agreement with the designated contracting entity.
Compensation: Negotiable / Based on Contractual Agreement
Schedule: to be determined by contractual requirements and program needs.

Position Summary
The Bullitt County Detention Center is seeking a qualified, experienced, and motivated Clinical Director to oversee and manage its Substance Abuse Program (SAP). This is a contractual position requiring an individual who can provide clinical leadership, manage program operations, recruit and hire qualified staff, supervise personnel, and ensure compliance with applicable licensing and regulatory requirements.
The Clinical Director will be responsible for the overall operation and clinical integrity of the program, including staffing, personnel supervision, clinical documentation, regulatory compliance, and coordination of treatment services for individuals incarcerated at the facility.
The ideal candidate will demonstrate strong clinical leadership, administrative and organizational skills, knowledge of substance use disorder treatment, and the ability to independently manage the staffing and operational responsibilities associated with the program under the terms of the contract.

Essential Duties and Responsibilities
• Clinical Leadership and Program Management
• Provide clinical leadership and oversight of the Substance Abuse Program at the Bullitt County Detention Center.
• Oversee the delivery of substance use disorder assessments, treatment planning, counseling, and related clinical services within the scope of the program.
• Develop, implement, and maintain program policies, procedures, and quality assurance practices.
• Monitor program performance and identify opportunities to improve service delivery and client outcomes.
• Coordinate with detention center administration, correctional personnel, community providers, and other stakeholders to ensure effective program operations.

Staffing, Recruitment, and Supervision
• Recruit, interview, hire, and retain qualified program staff necessary to meet contractual obligations and operational needs.
• Establish and maintain appropriate staffing levels to ensure consistent delivery of services.
• Provide clinical supervision, administrative oversight, training, and performance evaluations for program personnel, as appropriate.
• Ensure all staff possess the required qualifications, credentials, training, and clearances applicable to their assigned responsibilities.
• Develop staff schedules, assign duties, monitor performance, and address personnel or performance concerns.
• Ensure staff comply with applicable professional standards, confidentiality requirements, facility procedures, and program policies.
• Manage staffing transitions and arrange appropriate coverage to minimize interruptions in client services.
• Maintain responsibility for the supervision and management of staff hired for the contracted program, consistent with the contractual arrangement.

Licensing, Documentation, and Regulatory Compliance
• Ensure clinical records, assessments, treatment plans, progress notes, and other required documentation are accurate, complete, current, and properly maintained.
• Maintain compliance with applicable Kentucky Alcohol and Other Drug Entity (AODE) licensing requirements and other relevant state and federal regulations.
• Monitor licensing and credentialing requirements for the program and its personnel, as applicable.
• Implement quality assurance procedures and conduct appropriate reviews of clinical documentation and service delivery.
• Safeguard confidential client information in accordance with applicable privacy laws and regulations.

Treatment Services and Continuity of Care
• Oversee appropriate treatment planning and services for individuals receiving care through the program.
• Ensure clients receive appropriate information regarding treatment services, program expectations, and discharge planning.
• Coordinate referrals, discharge planning, and warm handoffs to community-based treatment providers when clients are released or transferred.
• Promote continuity of care and collaboration with community resources to support recovery and successful reentry.

Contractual and Operational Responsibilities
• Fulfill the duties and performance expectations established in the applicable contractual agreement.
• Manage the staffing and day-to-day operational needs of the program within the scope of the contract.
• Ensure program services are delivered consistently and in accordance with applicable contractual, clinical, licensing, and facility requirements.
• Maintain communication with designated detention center leadership regarding program operations, staffing, compliance concerns, and service needs.
• Maintain appropriate records and provide required reports and documentation in accordance with contractual obligations.

Minimum Qualifications
• Applicants must possess the education, professional credentials, and experience required to provide clinical leadership for a substance use disorder treatment program.
Preferred qualifications include:
• Degree in social work, counseling, psychology, behavioral health, or a related field.
• Current Kentucky professional license or certification appropriate to the clinical responsibilities of the position.
• Experience providing or supervising substance use disorder treatment services.
• Knowledge of Kentucky AODE licensing requirements and applicable regulatory standards.
• Demonstrated experience recruiting, hiring, supervising, and managing clinical or behavioral health staff.
• Experience with clinical documentation, quality assurance, treatment planning, and regulatory compliance.
• Strong leadership, organizational, communication, and personnel management skills.
• Ability to work effectively within a correctional environment and collaborate with multidisciplinary teams.
• All required education, licensure, certification, staffing, and supervisory qualifications must meet the requirements applicable to the program and its contractual arrangement.

Preferred Experience
• Previous experience in a correctional facility, detention center, residential treatment program, or community behavioral health setting.
• Experience managing or directing a substance use disorder treatment program.
• Experience maintaining an AODE license or overseeing services under an applicable AODE license.
• Experience independently managing program staffing and clinical operations under a contractual agreement.
• Knowledge of evidence-based substance use disorder treatment, reentry planning, and community referral resources.

Contractual Position Details
• This position is offered on a contractual basis and is not being advertised as a traditional salaried county employment position. The selected contractor will be responsible for fulfilling the contractual duties associated with clinical leadership, program management, and staffing.
• The Clinical Director will be responsible for recruiting, hiring, supervising, and managing the staff necessary to operate the program in accordance with the contract. Compensation, contract duration, staffing expectations, reporting requirements, and other terms will be established in the contractual agreement.
• Applicants should be prepared to discuss their clinical qualifications, management experience, staffing plan, and ability to meet the operational and regulatory requirements of the program.
