

WEBSTER COUNTY HISTORICAL Society hosted their first quilt show Saturday, May 2, at the Dixon community center. 113 quilts made by local residents an ancestors of local residents were on display. About 30 quilters shared their work with the public. Dozens of area residents visited the event and voted to select their favorite quilt. Winners included a quilt displayed by Stephanie Todd who won first place; second place went to Linda Pinkston and third place went to Donna Brown. Those quilts are pictured in order at the left.

KSP Troopers Will Be Conducting Traffic Safety Checkpoints Across District

The Kentucky State Police (KSP) will be conducting traffic safety checkpoints throughout the Post 2 district, to check motorists for compliance with motor vehicle laws including driving under the influence statutes. KSP utilizes traffic safety checkpoints to promote safety for motorists using the public roadways and to provide a deterrent for those who violate laws contained in the Kentucky

Revised Statutes. The intent of a traffic safety checkpoint is to provide for a high visibility, public safety service, focusing on vehicular equipment deficiencies, confirming appropriate registration and insurance of vehicles, and the valid licensing of drivers. Violations of law or other public safety issues that arise shall also be addressed. Traffic safety checkpoints will allow the

Kentucky State Police the opportunity to periodically concentrate its efforts in checking for violations of Kentucky traffic and regulatory laws that will ultimately increase the safety of the citizens within the Commonwealth. Drivers encountering a traffic safety checkpoint are requested to have their operator's license, vehicle registration receipt, and proof

of insurance readily accessible. Drivers with this information in hand, those with no violations of law and minimal roadway congestion can reasonably expect to be delayed for only a brief time period.
