Webster County Sheriff Announces May Road Safety Checkpoint Sites

Between the dates of May 6, 2026 and May 31, 2026, the Webster County Sheriff's Office will be involved in proactive enforcement patrols. In an effort to enhance highway safety in Webster County, the Sheriff's Office will target areas of high traffic safety issues including impaired driving offenses. The Webster County Sheriff's Office has the following pre-approved traffic safety checkpoint locations:

1. US 41A North at KY 56 and KY 873
2. KY 109 North of Clay at the 10 Mile Marker
3. KY 56 East at Old Beech Grove Road
4. KY 109 at KY 670
5. KY 56 West between New Cedar Grove Church Road and Lyce Duncan Road
6. US 41A South at KY 270
7. US 41 South at KY 147
8. KY 132 East at

KY 494

These locations incorporate checkpoint locations established by the local Kentucky State Police Post, with additional locations added due to ongoing issues related to traffic safety concerns and impaired driving, identified by local data.

In an effort to promote public safety through public information and education, the Webster County Sheriff's Office will release a monthly notice of the potential areas targeted with traffic safety checkpoints. The exact dates and times of checkpoints will not be provided.

In an effort to keep

a driver's time delays at an absolute minimum, we request drivers encountering a traffic safety checkpoint have their seatbelt on and their operator's license, proof of insurance, and registration receipt readily accessible. A typical traffic safety checkpoint should have a traffic delay of 30 seconds to a few minutes to drivers.
