

# United Way Of The Ohio Valley Expands Impact Funding For 2027

United Way of Ohio Valley (UWOV) announced an increase in its 2027 Impact Funding pool to \$279,000, expanding opportunities for local nonprofit organizations working to address poverty across the six-county region.

The competitive funding will support programs addressing three key pathways to reducing poverty: Affordable Housing, Homelessness, and Financial Stability.

Funding is avail-

able to eligible 501(c)(3) nonprofit organizations serving residents in Daviess, Hancock, McLean, Ohio, Union and Webster counties whose programs align with one or more of UWOV's Impact focus areas.

A portion of UWOV's annual campaign revenue will be distributed through two grant cycles. The \$279,000 Impact Funding pool announced for 2027 will be available specifically through a competitive grant process for non-

profit programs that are not currently United Way Legacy Partners.

"Poverty is complex, and no single organization can solve it alone," said Vikki Embry, UWOV Director of Community Impact and Investment. "By increasing our Impact Funding, we have an opportunity to bring more organizations and new ideas to the table. Our goal is to invest in solutions that not only address an immediate need, but help individuals and families build

a stronger, more stable future."

## Application Process

Eligible agencies must be IRS-recognized 501(c)(3) charitable organizations providing services in at least one of UWOV's designated Impact focus areas.

Interested nonprofits must first submit a Letter of Intent (LOI) through UWOV's website at [www.uwov.org](http://www.uwov.org).

\* Letter of Intent application opens: Thursday, September 3, 2026

\* LOI deadline: Wednesday, September 23, 2026

\* Following submission, LOIs will be reviewed and scored by UWOV's volunteer-based Community Investment Committee based on alignment with UWOV's Impact focus areas.

\* Selected organizations will be invited by UWOV to advance to the full grant application process, which will open on October 8, 2026.

## Get Involved

Community members and businesses also play an important role in reducing poverty and strengthening the

communities UWOV serves.

## Is There Still A Need For Missionaries To Be Sent Out?

**Q:** With the advance of technology, the gospel can be shared instantaneously with people around the world by videos, text messages, emails, radio, and television. It seems to me, there is no longer the need to send missionaries to share the gospel with people of different cultures. Is there still a need for missionaries to be sent out?

**A:** Technology continues to advance with AI, but that doesn't negate the call for us to send missionaries to share the gospel throughout the nations. In the world today, there are more than seven thousand unique people groups that are less than two percent Christian. Of those, roughly three thousand remain unengaged with the gospel.

The church in Antioch understood the need to send out workers

to spread the Good News that Jesus saves. The Holy Spirit said to them, "Set apart for me Barnabas and Saul for the work to which I have called them." Then after they had fasted, prayed, and laid hands on them, they sent them off" (Act 13:2, 3).

Still today we have the privilege of being a part of sharing the gospel with people who have never heard. The tools of technology, no matter how advanced will ever take the place of people sharing their faith in Jesus with others. Every follower of Jesus is called to be a part of praying for missionaries and their work, giving generously to support missionaries as they serve, sending forth workers to unengaged people who need salvation and going to tell of God's love and forgiveness and the abundant life Christ gives. As we do, we will impact eternity.
