

HUNTING

FROM PAGE B2

Sept. 1-30, 2026, at My Profile, and are required to complete a post-season survey within 14 days of the close of the season.

Deer: Roughly 300,000 hunters will target white-tailed deer through 136 days of hunting, including an archery season that kicks off Sept. 5, a nine-day youth-only season Oct. 10-18, 2026, and the modern firearms season Nov. 14-29, 2026.

More than 145,000 deer were harvested last year. While Kentucky ranks No. 6 in entries on the Boone and Crockett Club trophy list, wildlife officials are encouraging a higher harvest of does.

Thirty counties were rezoned to allow more generous bag limits, and a special antlerless season in 23 counties being monitored for Chronic Wasting Disease (CWD) was expanded from two days to four days to manage

deer densities. Mandatory drop-off and sampling requirements in the CWD Surveillance Zone are spelled out online and in the hunting guide.

Black bears: Hunters can buy permits over the counter to pursue bears in 47 counties using firearms, bows, crossbows and with the aid of dogs during various seasons that begin Sept. 19 and end Dec. 16, 2026. More than 200 bears were taken each of the past two seasons, with about 10 percent of hunters being successful.

Elk: A lucky 500 hunters were selected for permits in May during Kentucky's annual elk permit drawing for the right to hunt the state's largest game animal in the southeastern mountains. Didn't get picked? Apply now for the 2027 Kentucky Elk Draw through My Profile.

Fall turkey: Spring brought a record turkey harvest, but successful hatches the past two years suggest the various

fall seasons could be productive as well. Hunters can use bows beginning Sept. 5, followed by various crossbow and shotguns seasons.

Other small game: Hunters can target both rabbits and quail beginning Nov. 16, with a separate 13-day season beginning Nov. 1 in the Eastern Zone only. Both species are habitat-specific, so finding the right habitat is step No. 1. Many rabbit and quail hunters love the species because it gives them a chance to work their dogs.

Furbearers:

Furbearers offer diverse opportunities for hunters and trappers alike, including predators like coyotes, bobcats and foxes; water-based animals like river otters, beavers and muskrats; and the commonly seen raccoons and striped skunks. Pay attention to the details: most species have very specific rules regarding equipment and season dates, and season dates typically differ by method of take (hunting and trapping). In addition, some species cannot be taken during

deer firearms seasons.

Remember that hunters born after 1974 must be hunter education certified, unless they are Kentucky residents hunting on their own property. For other exceptions and hunter safety course schedules, see the Hunter Education webpage.

For general information, hunters can contact the Kentucky Fish and Wildlife Information Center by emailing info.center@ky.gov or calling (800) 858-2549, 8 a.m. to 4:30 p.m. (Eastern) Monday through Friday, except holidays.

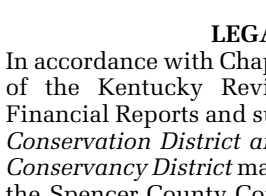

KIPDA's budget, financial statements, and most recent final audit is available at <https://www.kipda.org/transparency>.

Please take notice that the City of Taylorsville on the 15th day of September 2026 will consider the following ORDINANCE(S) for first reading and adoption:

1. Proposed Ordinance amending Article V, Section 500, 501, 502 & 503 pertaining to Qualified Manufactured Homes allowance in residential zones and lot size for lots served by sanitary sewer and those not serviced by sanitary sewer.

Karen Spencer,
Mayor, City of Taylorsville
Attest: Stacy Crenshaw
City Clerk
