The annual KY 4-H Shooting Sports State Competition, the culminating event for youth participating in the 4-H shooting sports program, was hosted at the Bluegrass Sportsmen’s League in Wilmore, KY on Saturday, September 12th and at the Central KY Gun Club in Berea, KY on Sunday, September 13th. Over the course of the weekend over 1,000 youth, their families, and county coaches, volunteers and 4-H agents gathered to take part in the event. This competition provides a goal for young people to work towards throughout the year and an opportunity for them to showcase their leadership, sportsmanship, and teamwork.

Saturday’s competition included events in archery (bowhunter, target compound, target recurve, compound bare, bare recurve), .22 rifle (target and sport), air rifle (target and sport), BB rifle, .22 pistol, air pistol, black powder rifle (flintlock and percussion), and black powder pistol. Youth can compete in 3 events during the Saturday of competition. Sunday’s competition is for youth competing in the shotgun discipline. Depending on their age group competitors can choose to shoot 25, 50, or 100 clay targets for score. Competing on ranges with youth from across the state, 4-Her’s are given the chance to interact with other youth who share their spark within the program. Stretching over two action-packed days of competition, 1,035 individuals registered for the event with 70 counties represented.

With safety at the forefront during this event, all ranges were run by certified 4-H Shooting Sports Instructors who provided trained oversight for the entirety of the competition. Additionally, 4-H collaborated with several outside organizations to help create a safe and welcoming environment. The KY National Guard, and Wilmore Police Department provided support throughout the weekend to help with traffic and crowd control, as well as being present to assist with any emergency situations that may have occurred. The UK Rifle Team and ECU Shotgun Team provided team members to help score targets and run shotgun ranges during the event. Over 300 volunteers from across the state gave their time in a variety of roles from registration/check-in, to target runners, to range linemen.

Awards were presented at the end of each day of competition. Top three individuals and top three county teams in each discipline were presented with a trophy by the KY 4-H Shooting Sports Teen Ambassador Board. First place individuals in each age category and discipline were also awarded a championship jacket. Our very own Bella Powell served as Shooting Sports Teen Ambassador and presented awards.

Spencer County 4-H had 21 4-Her’s to compete over the two-day event in 37 events. These youth represented Spencer County very well at the state level! 5 Spencer County youth and adult volunteers dedi-
