PUBLIC NOTICE OF PUBLIC HEARING TRIMBLE COUNTY PLANNING AND ZONING COMMISSION

Notice is hereby given in accordance with KRS 424, and the Kentucky Open Records and Meetings Act that the Trimble County Planning and Zoning Commission will hold public hearings on proposed text amendments to the Trimble County Zoning Ordinance. The public hearings will be held at **5:30 p.m. on Tuesday, October 13, 2026, at 123 Church Street, Bedford, Kentucky 40006**. For more information, call (502)255-7196:

The proposed amendments concern the following areas of the Zoning Ordinance:

- 1. Land Application of Wastes – Section 650(1)(C)(7).** An amendment to update this section to reflect current statutory language and to distinguish the land application of solid and special wastes from the spreading of domestic septage, which is a separate land use governed by different regulations.
- 2. Development Plans – Sections 800 and 810.** An amendment to revise the provisions governing when development plans are required, correcting the current linkage between the submission of development plans and zone change (map amendment) applications.
- 3. Manufactured/Modular Homes.** Amendments to bring the Zoning Ordinance into compliance with Kentucky House Bill 160, concerning the regulation and placement of qualified manufactured homes.

The full text of the proposed amendments will be available for public inspection at the office of the Trimble County Planning and Zoning Commission during regular business hours **beginning October 8, 2026**. All interested persons will be given an opportunity to be heard at the public hearings. Persons unable to attend may submit written comments prior to the hearing date.
