Notice is hereby given that Cody Hatton has been appointed as Guardian of the Estate of Airell Hatton. A copy of the appointment is on file in the Wolfe County Circuit Court Clerk's Office
 Debbie H. Sparks
 Wolfe Circuit Court Clerk
 W-4-10-1t

RECIPE

SALISBURY STEAK

- 1 pound lean ground beef
- 1/4 cup panko bread crumbs
- 1 large egg beaten
- 2 tsp ketchup
- 1 tsp Dijon mustard
- 1/2 tsp dried oregano
- 1 tsp salt
- 1 tbsp olive oil (for skillet)
- Gravy
- 2 tsp butter
- 1 & 1/2 cups beef stock
- 2 tsp flour
- 1 tbsp ketchup
- 1 tsp worcestershire sauce
- 1/2 tsp onion powder
- 6 oz sliced mushrooms salt & pepper

In large bowl mix together all the ingredients for the steaks (except oil). Shape into oval patties about 3/4 inch thick. In large skillet, warm olive oil over medium heat. Add steaks and cook about 3 minutes per side until nice golden crust. Transfer to plate. With skillet drippings, add butter, melt, add flour and whisk until no lumps. Reduce heat to med-low, pour in beef stock, whisking well. Add ketchup worcestershire sauce, onion powder, combine mushrooms, simmer 5 minutes until thickens, season with salt & pepper. Add steaks back in skillet in gravy, cover, cook 10 minutes until cooked through. Serve over mashed potatoes. YUM. ENJOY!!

Wolfe Countians Against Drugs

Beware: Xylazine

Xylazine, sometimes called "Tranq," is a powerful animal tranquilizer that is being found mixed with other drugs like opioids in some areas.

It's extremely dangerous for humans. Xylazine can slow your heart rate and breathing, cause severe skin wounds, and increase the risk of overdose — and Naloxone (Narcan) does not reverse its effects.

Because it's often mixed with other drugs, people may not even know they are exposed, which makes it even more risky.

Awareness is the first step to prevention. If you or someone you know uses substances, never use alone and seek help immediately if you experience symptoms of overdose.

Learn the risks. Spread awareness. Support recovery.
