## Household Hints

√Wear cotton garden gloves for dusting the small accessories (what nots) in your house. Lightly spraying the items with an antibacterial cleaning solution will help to eliminate germs.

√After a shower bath, use a soap dispenser dish brush to clean the shower of residual soap spots. Reportedly,dish soap is a good bathroom cleaner.

√A sponge or cleaning cloth wrapped with duct tape can be used to remove pet hair from upholstered furniture or auto-mobile seats or carpeting.

√A swiffer (used on floors) and swiffer cloth can be used to remove dust, etc. from wood-work and wipe down walls and cobwebs.

√To clean lint from dry a dryer lint filter, wrap a cleaning cloth around a wooden paint stick. The stick will fit into the narrow opening of the filter.
