Outdoor burning laws in effect Oct. 1-Dec. 15

FRANKFORT, Ky., Oct. 2 — Wildfire hazard season began Oct. 1 in Kentucky and Kentuckians are reminded that outdoor burning restrictions will be in place Oct 1-Dec. 15) throughout the commonwealth.

The Commonwealth of Kentucky's outdoor burning law prohibits burning between the hours of 6 a.m. and 6 p.m. local time, if the fire is within 150 feet of any woodland, brushland, or fields containing dry grass or other flammable materials. These restrictions are in effect every fall (Oct. 1 – Dec. 15) and spring (Feb. 15 – April 30) to help prevent wildfires.

The Division of Forestry (KDF) responds to 850 to 1,000 wildfires annually across the state. Studies show that 99% of wildfires in Kentucky are caused by human activity. Arsonists start over half of the wildfires, and the second leading cause is debris fires that escape. If a fire escapes from the burning of debris, immediately contact the nearest or local fire department.

Kentucky has more than 12 million acres of forests, nearly half the state. Those forests are the foundation of a major economic force in the commonwealth. In 2024-2025, Kentucky's forest products industry contributed \$20 billion to our economy and provided more than 28,000 jobs.

To help prevent wildfires and protect your family, neighbors, and firefighters, KDF recommends the following precautions:

Avoid burning debris during fire hazard seasons and during dry, windy conditions. Outdoor burning is illegal between 6 a.m. and 6 p.m. in or within 150 feet of any woodland, brushland, or fields with dry grass.

Incorporate "Firewise" practices around homes and communities in forested areas. Remove leaves, debris, and firewood from around homes and structures to reduce fuel for wildfires and to help firefighters access your property. Creating a defensible space also includes trimming overhanging branches, spacing out shrubs, and keeping grass mowed short—these steps protect your home and your neighbors. For more tips, visit <https://www.firewise.org/>

Report suspected arson to the nearest Kentucky State Police Post or call the Target Arson Hotline at 800-27-ARSON.

Contact your local fire department or county judge/executive's office for questions regarding local burn bans. Residents should call the Division for Air Quality at (502) 564-3999 to learn about other specific regulations before burning anything.

KSP Post 8 traffic check point advisory

MOREHEAD, Ky., October, 1 — The Kentucky State Police (KSP), Morehead Post would like to offer periodic reminders to drivers who travel our roadways. Our agency strives daily to ensure the safety of the motoring public. Some of these proactive measures include various roadside safety checkpoints and saturating known problematic areas in the district through general patrol tactics.

The Kentucky State Police utilizes traffic safety checkpoints to promote safety for motorists using the public roadways and to provide a deterrent for those who violate laws contained in the Kentucky Revised Statutes.

The intent of a traffic safety checkpoint is to provide high visibility, public safety service, focusing on operator impairment, vehicular equipment deficiencies (confirming appropriate registration and insurance of vehicles) and the valid licensing of drivers. Other violations of law and/or other public safety issues that arise will be addressed.

These checkpoints will allow the Kentucky State Police the opportunity to periodically concentrate its efforts in checking for violations of Kentucky traffic and regulatory laws that will ultimately increase the safety of the citizens within the Commonwealth.

Post 8 serves the following counties: Bath, Elliott, Fleming, Lewis, Mason, Menifee, Montgomery, Morgan, Powell, Rowan and Wolfe.

Traffic Safety checkpoint locations in the Post 8 District may be located at our web site:
