**Child Find for Children with Disabilities in Need of Special Education or 504 Services Child Find**

The Floyd County School District keeps educational records in a secure location in each school and Board office. The Floyd County School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA. For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parents when they are no longer needed to provide educational programs or services. The Floyd County School District may destroy the educational records of a child without parent request seven years after they are no longer needed to provide educational programs or services. Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes.

posers. The Floyd County School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child. Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Floyd County School District find any child who may have a disability and need Special Education or 504 services. guardian; the possible disability; and other information to determine if Special Education or 504 services are needed. Letters and phone calls are some of the ways the Floyd County School District collects the information needed.
