MCBRAYER ELEMENTARY NEW STAFF MEMBERS

Hello! My name is Kamilla Adkins. I am from Sandy Hook, and a graduate from Elliott Co High School. I have worked with children for the last 2 years in the Headstart program in Elliott County as a teacher's aide, and assistant teacher, and I would love to one day become an educator. I feel that education is one of the most important things we can provide for all children, and educators are an integral part of a child's life.

It is my hope that all my kids take good memories of me with them when they move out of my care and that I have somehow made a positive difference in their life. I love to read, spend time with my family, and visit new places. I look forward to working with your children by helping them to grow and learn as individuals, and I hope to assist with them having a great year!
