

Not your normal Days of Our Lives Recap

Holly Jonas tries to make amends with former friend Ari after screaming at her for weeks like a raving lunatic when Sophia Choi secretly swapped her skin supplements for her own psycho pills.

Holly was taking them for weeks just lashing out, growling, and spitting on innocent people, and she was getting acne to boot, because they weren't her skin supplements.

Bonnie Kiriakis wrote a steamy book after Anastasia Sands' success with her steamy novel with lots of adjectives that she was kind of ashamed of. But Bonnie wasn't ashamed of her book and apparently "borrowed" parts of Anastasia's book for her own.

Her husband, Salem Attorney Justin Kiriakis, told her she could get into a heap o' trouble for the borrowed parts. This angers Bonnie because he is not supportive of her plagiarism.

Meanwhile, Kate Reed, Kiriakis, Brady, DiMera, DiMera, Brady, when not changing the monograms on her towels, works with Titan Publishing, which published Anastasia Sand's book. She notices the blatant plagiarism in Bonnie's

book and calls Johnny DiMera who was temporarily running DiMera Enterprises and planned to publish Bonnie's book over for a meeting and tells him DiMera will need to pay a big chunk of change to pacify Titan for Bonnie's plagiarism or face a lawsuit.

Meanwhile, Kristen DiMera found out ole spinner eyes Sophia Choi manipulated Kristen's rottenly behaved daughter Rachel into giving Holly Jonas the wrong pills. Now she wants to make her do what she wants to bring down her brother EJ for making her mother, Rachel Sr., vanish, which sent her daughter, Rachel Sr's, granddaughter, in a downward behavior spiral. Not to mention the confusion at Christmas with the name Rachel on all the packages and nobody knew to whom they belonged.

Sophia and Kristen discuss people for whom they seek revenge. Kristen picks EJ, and Sophia picks Johnny DiMera and Holly Jonas. Apparently they missed ALL Sunday School lessons on forgiveness and not holding grudges.

Brady Black, Rachel's dad,

says he wants to take Sophia down for the deed, even though his own precious child tried to kill three or four people for kicks.

Cat Green still walks around with her mouth hanging open. Sometimes it forms words, and she speaks.

EJ's secret project, his frozen and then thawing sister Lexie Carver, continues to thaw in a hospital bed in a secret room.

EJ shows her to her son Theo who is a teeny bit surprised to see his mom whom was presumed deceased. EJ tells Theo she sure would be disappointed to find out he's running DiMera and maybe he should step down before she completely thaws and starts sitting up and stuff. So Theo steps down and EJ's son Johnny remains at the helm.

Steve "Patch" Johnson meets with Brady Black, who hasn't worked in months and months yet manages to pay for a new place for him and his passel of kids. Patch looks at Brady with his one good eye and asks him to take the place left by his deceased father in their detective business Black Patch.

Tears come to Brady's eyes. Is it from the honor of filling his late father's shoes? Or is it tears of sadness that he will actually have to go to work and can't freeloader off Marlena and Maggie on a whim?

Only registered Republicans can vote for Hickman County Judge/Executive in the May Primary

There has been some confusion, and hopefully this will clarify it so there's no surprises when you go to vote. In Hickman County, there are no Democratic candidates for judge/executive. In the May Primary, you can only vote for the party for which you are registered, so if you are a registered Democrat, you will not be able to vote for judge/Executive. This is according to state law. Kentucky is a closed primary state. If you are unsure of the party with which you are registered, call the Hickman County Clerk's Office at 270-653-2131.
